## B. B. I. NOTES

There was an enjoyable occasion Tuesday night at Brown Hall when Dr. and Mrs. Minks gave a banquet in honor of the trustees of B. B. I. The faculty were also present. Eloquent speeches were made by Judge Tye on the importance of the occasion; by Supt. Evans, on the significance of education as seen in the lives of a few Knox County boys who now are in various professions; by John Parker on the struggle of B. B. I. for its existence; by Chairman W. R. Marsee on the hope and aspirations for a larger institution; by Dr. Minks on the responsibility of teachers who stand in the place of parents in the proper training of young lives placed in their care. Prof. and Mrs. Bunnell, Prof. and Mrs. Wilson, Prof. Miller and Mrs. Minks responded with a few words. Rev. Allen started the speeches with a few witty remarks. We hope this and other such gatherings as we trust to have in the future will be for the much desired development of the school. The evening was spent very pleasantly by all present.

## WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor!

Mrs. J. T. Beddow, N. Main St., says: "I can recommend Doan's Kidney Pills from experience. My kidneys were weak and I suffered with nervous, dizzy headaches. I felt run down and languid and the least work tired me out. The action of my kidneys was irregular. I knew my kidneys were at fault and I bought Doan's Kidney Pills at the Costello Drug Co. and used them as directed. They helped me in every way, strengthening my kidneys and relieving the dizziness and headaches." (Statement given November 7, 1916.)

On March 11, 1921, Mrs. Beddow added: "I still think the same of Doan's Kidney Pills as when I endorsed them four years ago. Doan's have practically cured me of the trouble and I haven't needed to use them for a long time."
